4 January 1973

MEMORANDUM FOR: OBGI Historical Officer

SUBJECT : Revision of OBGI Historical Program

The DDI Historical Officer suggests, subject to the concurrence of your office, that the following procedures be adopted in the OBGI Historical Program:

25X1A

1) The paper entitled "Special Research Branch Support to National Polar Policy" [redacted] be processed for publication as soon as its documentation is completed.

2) The paper entitled "Special Research Branch Support to National Policy on Mapping and Geodesy" by [redacted] be cancelled as a separate title in the DDI Historical Series.

25X1A

3) The manuscript prepared [redacted] be declared a Historical Document, numbered and indexed in the collection of the Historical Staff, and thus made available for the use of any authorized personnel needing a detailed account of this type of geographic support.

25X1A

4) The paper entitled "The Geography Division, OBGI: Overview, 1947-70" [redacted] be expanded to cover major research projects on geodesy and gravimetry carried out by the [redacted] drawing on [redacted] manuscript as a source.

25X1A
